Re: Demolition of Crown Inn Motel & Sal's Restaurant

Dear Mr. Barillari:

I am writing in regard to the demolition and removal of the above site located on LaGrange Street, Newnan, Georgia.

Mr. Ibowicz was in charge of this project from start to finish. He is a very competent heavy equipment operator. He is a person with a positive attitude and a take charge person that can get the job done leaving the site in clean, workmanlike condition.

We were well pleased with his efforts and would call him again for his services. If you have any questions please feel free to call me at 770+25302682.
