To Whom It May Concern:

This letter is to inform all businesses that H.J. Russell & Company (HJR) has benefited tremendously by using Tristar of America, Inc. for several demolition projects. HJR used Tristar of America, Inc. on a construction site that involved the demolition of apartments that were a victim of a fire. We were pleased with the timely and efficient service that Tristar of America, Inc. provided to us. HJR will continue to use Tristar on projects in the future. If you have any questions feel free to contact me at 404 / 330 - 0961 or gsteede@hjrussell.com.
